

Special Penalty Date Program

The Special Penalty Date Program is available for senior citizens aged sixty-two (62) years and over.

This program is available for senior citizens who would benefit by having their bills due on the 5th of each month. It is recommended for seniors who are on fixed incomes whose bill is currently due between the 28th and the 4th of the month. If your bill is currently due between the 6th and the 23rd day of the month, you would not be eligible for this program.

If you are interested in the Special Penalty Date Program, your account balance must be current (up-to-date). Your payment must be received by the 5th day of each month. Failure to pay by the 5th day of each month may result in your removal from the Special Penalty Date Program.
