OPERATIONAL POLICY**

**Policy No.202**

ADOPTED: FEB. 22, 1993

REVIEWED WITH NO CHANGES: MAY 15, 2007

REVIEWED WITH NO CHANGES: JANUARY 24, 2008

AMENDED AND BOARD APPROVED: OCTOBER 7, 2014

Subject: Temporary Services

I. Objective

- A. To provide equitable and uniform procedures for the installation of electric facilities which are temporary.
- B. To ensure that expenses incurred in the installation of temporary electric facilities are reimbursed by the customer receiving such service and are not subsidized by the general membership

II. Policy

- A. Temporary Electric Facilities - this term is defined as nonpermanent facilities that are installed to satisfy short-term service requirements and will not become a permanent, integral part of the cooperative's electrical system. Examples of such temporary facilities are: camper trailers, construction power for new homes or industries; short-term facilities for holiday lighting, carnivals or circuses, and service to installations with an indefinite life such as mobile grain dryers, pumps, portable sawmills, etc.
- B. For Construction - The Cooperative may charge any individual, group of individuals or other entity an aid-to-construction fee for requests of a single phase, one span temporary service. This fee is listed in the Schedule of Fees for the extension of temporary service at standard secondary voltage from the Cooperative's existing electrical facilities or permanent extensions thereof. The service should be preparatory to the establishment of permanent electrical Service to a residence or business.
- C. Customers, who request service to buildings, not of a permanent nature, may be required to pay in advance the cost of investment.
- D. Other Temporary Services - all other temporary services may require payment of a calculated temporary service extension charge. The calculated charge will include the total cost of all material, labor and overheads.

### III. Responsibility

- A. The Board of Trustees is responsible for a periodic review of this policy and shall approve any changes to the policy.
  
- B. The General Manager is responsible for the implementation of the policy.
