

**JOE WHEELER ELECTRIC MEMBERSHIP CORPORATION
OPERATIONAL POLICIES**

Addendum 209A

AMENDED: JANUARY 24, 2008

BOARD APPROVED: OCTOBER 7, 2014

AGREEMENT

This Agreement made on this the _____ day of _____ 20__ by and between Joe Wheeler Electric Membership Corporation (the Cooperative) and _____, a municipality (“the Municipality”).

WHEREAS, the Municipality is a Member of the Cooperative and, among other accounts, has had the Cooperative install, energize, supply power to, service, maintain and repair various security and street lights within its corporate boundaries and police jurisdiction, and;

WHEREAS, the Cooperative owns and maintains thousands of security lights and street lights throughout its service area and has no means of inspecting said security lights and street lights to determine if they have been damaged or are experiencing problems, and;

WHEREAS, in the past the municipality has routinely inspected the security lights and street lights located within its corporate and police jurisdictions and has notified the Cooperative of damaged lighting or problems with its security or street lights and continues to do so at the present time, and;

WHEREAS, the Cooperative Board of Trustees have recently adopted an amendment to its Operational Policy #209 dealing with security and street light installation and repair and has confirmed in said policy that it is the responsibility of the customer to notify the Cooperative of problems with security of street lights:

NOW THEREFORE in consideration of the premises and the obligation on the part of the Cooperative pursuant to Cooperative Operational Policy #209 to maintain and repair its security lights and street lights when notified it is agreed as follows:

1. It is agreed and understood that the Cooperative does not inspect its security lights and street lights and it shall be the duty of the Municipality to routinely inspect all security lights and street lights within its corporate limits and police jurisdiction and promptly notify the Cooperative of any faulty lighting when the same shall be observed.
2. Upon proper notification by the Municipality to the Cooperative, the Cooperative agrees to promptly repair all faulty or damaged security lights or street lights pursuant to the Cooperative Operational Policy #209.
3. A copy of the Cooperative Operational Policy #209 is attached hereto and incorporated herein by reference as Exhibit A to this Agreement.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals

this _____ day of _____, 20__.
